# PRAYER

*I am free to live a life of spiritual freedom and full self expression liberated in love, gratitude and mastery in this body here and now.*

*My spirit is limitless.*

*I am responsible for any limits I experience in this body and have complete access to the divine through prayer and contemplation to release myself from any human bonds I have worn as spiritual clothing that no longer resonate with my essence.*

# Opening Blessing A Call to Lighten

Soft the night and sweet the spirit,  
Gentle voices call our song,  
We are magic we are wonder  
When we live beyond the veil.

Human kind please raise your thoughts  
Bring a plane of peace and love  
We the guardians of the pilgrims  
We the authors of the play.
