

I have the right permission and ability to muscle test and get a yes or no accurate answer removing amalgamated cruel deceptive demonic dominating harmful Illusional parasitical suppressing (you can clear this simple statement 2 hours with doorknob)

Step 1	Step 2	Step 3	Understanding your result
Using your right-hand ring finger Hold ring finger straight and firm	Make your statement "I have the right permission and ability to" ... or "I have a challenge with... i.e. Cords"	Using left hand pointer finger press down on ring finger between the middle knuckles It will either hold firm or become weak and drop when pressed. The ring finger will move towards the palm of the right hand if it drops	How to interpret your answer <ul style="list-style-type: none"> • If the finger becomes weak that answer is not true or no • If it holds firm it is yes or true

There are some folks who have challenges with muscle testing please take the muscle testing training where we hone in a charts for clearing This program is once again being presented next month
