# Year of Miracles Restoring Hearing

Prayer

*I am free to live a life of spiritual freedom and full self expression liberated in love, gratitude and mastery in this body here and now.*

*My spirit is limitless.*

*I am responsible for any limits I experience in this body and have complete access to the divine through prayer and contemplation to release myself from any human bonds I have worn as spiritual clothing that no longer resonate with my essence.*

# Opening Blessing A Call to Lighten

Soft the night and sweet the spirit,  
Gentle voices call our song,  
We are magic we are wonder  
When we live beyond the veil.

Human kind please raise your thoughts  
Bring a plane of peace and love  
We the guardians of the pilgrims  
We the authors of the play.

Clearing and restoring hearing

## doorknob and double pump

### Doorknob

Always only one handed, best choice right hand. Hand up about shoulder level palm facing out to the world fingers curled in as if to wrap around a doorknob than turn hand in with palm facing towards your body continue to have fingers curled in

Remember NEVER 2 hands it cancels out what you are doing

### Double Pump

Using the same technique as the single pump lift both hands facing in towards each other to shoulder height 8-10 inches away from shoulder, I like to alternate pump, however it is also effective to do both hands pumping at the same time. Remember loose fingers

Don't follow me stay with eyes open if you get light headed breath walk around get a glass of water imagine being fully in your body once more

# Angels Call

Angels call while we are sleeping  
Riding through the waves of dreams  
Keeping safe our mortal bodies  
While we play in astral scenes

Beams of light flow from their bodies  
Showing us a glimmering mirror  
Waking to the world of wonder  
Leaves behind all doubt and fear

## The Stones

The stones they are a calling me  
Echoing through an eternity  
Calling out to set us free  
The power of the stones

At dawn I walked in a circle of stones  
A solar temple to me yet unknown  
Till by the strength of first mornings light  
Shown the power of the Stonehenge stones

They grounded the energy of this place  
And held us together in loving embrace  
While beings of light danced above the space  
Bestowing on us their wisdom and grace

The Avebury stones were laughing at me  
Taunting me tempting me dancing with glee  
Playful stones make love to me  
In the circle of the stones

The heavenly chambers from days of old  
New Grange stones were a circle to behold  
I knelt in prayerful reverence  
For the power of the basin stone

I touched my forehead to the rock  
It filled me with bright light and talk  
Of the ancient people and their ways  
And the spirals of the stones

Stones are everywhere we look  
Medicine wheels and monolithic books  
The wisdom of the circle flows  
In the temple of the stones
